LIVING DONOR CIRCLE OF EXCELLENCE

BENEFITS TO ORGANIZATIONS

Living donation is not a common occurrence, but the impact lasts a lifetime. Program members are helping to address the critical need for more living donors.

NO UPFRONT COST & LOW-COST COMMITMENT

Your company only provides salary support if a full time employee chooses to donate. Assuming a median salary of \$60,000 per year, 80% support for four weeks of coverage is only \$4,000.

RECOGNITION

Members are recognized on the Circle of Excellence website, social media platforms, and through press coverage. Members are recognized special events through the year. *(varies based on Branch)*

CORPORATE CITIZENSHIP

Supporting living donors saves lives, raising corporate citizenship profile. Member support increases the number of lifesaving transplants.

EMPLOYEE SATISFACTION

Add to workplace satisfaction and employee pride by demonstrating the prioritization of their wellbeing, fostering a sense of care and reliability.
